ROMERO BRITTO

Romero Britto é um dos mais premiados artistas do nosso tempo e o artista pop mais jovem e bem sucedido da sua geração.

Tem criado obras-primas que invocam o espírito de esperança e transmitem uma sensação de aconchego. As suas obras são chamadas, por colecionadores e admiradores, de “Arte da Cura”. A sua arte contém cores vibrantes e composições ousadas, criando graciosos temas com elementos compostos do cubismo.

Romero Britto, admirado a nível internacional, tem a sua obra presente nos 5 Continentes e em mais de 100 Galerias de Arte do Mundo, assim como, em coleções particulares de famosos.
